Anchorage - Kincaid Elementary School - New Media Equipment For Classrooms

State Funding Requested: \$ 5,000**House District: 27 - N**

One-Time Need

Brief Project Description:

Replace 28 VHS Players Throughout Kincaid Elementary School With New Dual DVD/VHS Machines

Funding Plan:**Total Cost of Project: \$5,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

Kincaid Elementary is twelve years old and our current VHS players were purchased when the school first opened. The VHS players found throughout the school in the classrooms, the library, the IGNITE classroom, Intensive Needs rooms, and specialist rooms are outdated. Many no longer work and those that are left are plagued with problems.

Currently, the Kincaid library houses VHS tapes and DVD's, which are used by the entire staff. VHS tapes are becoming obsolete. Our librarian will no longer be purchasing VHS tapes with school funds. DVD's are more durable and when handled properly, will last longer.

We wish to purchase new DVD/VHS players so the entire school can utilize the tapes we have in stock and also use the new DVD's that have recently been purchased.

Project Timeline:

Equipment will be purchased and installed when funds become available.
